New steel postmarks with the restored Hungarian pre-1918 names were introduced into the smaller towns in the liberated areas as soon as practicable. Examples on this and succeeding pages provide a variety of usages and franking. These are from Alsolendva (Lendava during the Jugoslav period) and Bacstovaros (Tovarisevo).

For most of the smaller towns in the Bacska, numbered steel postmarks inscribed "Royal Hungarian Posts" were provided in the early days after liberation. Examples shown here are 10 filler domestic postal cards uprated to 20 filler for use to Belgrade in German-occupied Serbia. Sent from Belatinc (Beltinci) and Perlak (Prelog).
